## **SYNOPSIS**

The jungle is jumpin' with a jazzy beat in Disney's The Jungle Book KIDS. Specially adapted from the classic Disney animated film, Disney's The Jungle Book KIDS features a host of colorful characters and your favorite songs from the movie.

Banished by the ferocious tiger, Shere Khan, a human boy named Mowgli and his panther friend, Bagheera, are on the run in the deepest parts of the jungle. On their journey, the two meet a sinister snake named Kaa, a herd of elephants and a giant bear named Baloo, who teaches them the swingin' musical rhythms of the jungle. After surviving a dangerous encounter with a band of monkeys led by King Louie, Mowgli and Bagheera are forced to run for their lives. When Shere Khan returns, our heroes must rally their fellow animals into battle and restore peace throughout the jungle.

## A NOTE FROM THE DIRECTOR...

Thank you for spending time with us this summer! This is our second annual summer camp and I really love working in this format. Getting to spend all day with the kids and having them help build the show is an incredible experience. We get a lot of new faces at summer camp, including new friends who don't even go to Ridgeline. And for that, I thank you! Your continuing support of our program makes all the difference in what we are able to accomplish. I hope you enjoy your time deep inside the leafy jungle! Enjoy the show!
