SYNOPSIS

Travel down the rabbit hole and join Alice, one of literature's most beloved heroines, in her madcap adventures. Featuring updated songs from Disney's thrilling animated motion picture, Disney's Alice in Wonderland JR. is a fast-paced take on the classic tale.

The ever-curious Alice's journey begins innocently enough as she chases the White Rabbit. Her adventures become increasingly more strange as she races the Dodo Bird, gets tied up with Tweedle Dee and Tweedle Dum, raps with a bubble-blowing Caterpillar and beats the Queen of Hearts at her own game!

A NOTE FROM THE DIRECTOR...

We finally made it to Wonderland! Our trip down this rabbit hole has been anything but smooth, but you would never know that while watching this show. This is my 12th production at Ridgeline and I have never had a cast that has worked harder or been more dedicated. We were able to put this show together in 4 weeks and the kids came prepared - lines and songs memorized, practicing at home with choreography videos, asking questions and remaining engaged the whole time. It has honestly been a dream come true. I got to work with the hardest workers in the room and it made the process such a joy. We got to go a little deeper into the craft of acting and production and I got to help them create some really special moments on the stage. I can't wait to do this again.

Thank you for sharing your time with us this weekend and for allowing your kids to participate in this show. I know social distancing and masks are not what we think of when it comes to theatre, but these kids are rockstars and I swear I don't even notice it anymore. They make this all look easy. I am wowed by their resilience and dedication.

Enjoy your time in Wonderland and Happy Un-Birthday to You!
