SYNOPSIS

Based on the beloved Disney animated film, and featuring a jazzy, upbeat score, Disney's The Aristocats KIDS is a non-stop thrill ride of feline fun, complete with unbelievable twists and turns.

In the heart of Paris, a kind and eccentric millionairess wills her entire estate to Duchess, her high-society cat, and her three little kittens. Laughs and adventure ensue as the greedy, bumbling butler pulls off the ultimate catnap caper. Now it's up to the rough-and-tumble alley cat, Thomas O'Malley, and his band of swingin' jazz cats to save the day.

A NOTE FROM THE DIRECTOR...

Welcome to Aristocats Kids! This movie was one of my favorites as a kid, and listening to the music and seeing the characters come alive on stage warms my heart. Summer Camp is my favorite format we do each year because the kids get to focus on the show and give it all of their energy. They create really dynamic and specific characters, each of them with their own life and point of view. We get to play with movement and collaborate on staging. It is an immersive experience where the kids learn so much about the craft of theatre. It grows them in so many ways and I could not be more proud of them.

Thank you so much for coming to see our production today! I hope to see you back for Mary Poppins Jr. in the Fall, Addams Family in the Winter (7-12 production), and Little Mermaid Jr. in the Spring!
