## A NOTE FROM THE DIRECTOR...

Welcome to the first show of Ridgeline Academy Drama Club's 2021-2022 season, *Mary Poppins Jr!* This show has been on my list to do for a long time, but I was always intimidated by it. Watching your students work so hard last year - performing in front of limited audiences, in masks, and 6 feet apart... I knew they were up to any challenge. But every director I know who has done this show says the same thing - "It's so hard."

They were telling the truth. This musical has been one of the toughest we have ever put together. The score is a challenge, there are tons of scene changes and props, and the characters are iconic and require a lot of effort to bring to life. These kids have 100% risen to the occasion. Each character feels thoughtful and well crafted. While paying homage to the original, these actors have added their own flavor and color. They have worked tirelessly on lyrics and harmonies, and never complain when I say "one more time!" They have practiced choreography in their downtime and helped each other remember which part comes next. It has been a beautifully collaborative experience.

This production has made me feel confident that we can tackle any show, and that Ridgeline Academy Drama Club will only continue to grow and thrive. *Mary Poppins Jr!* is right - Anything can happen if you let it!

Best foot forward!
