A NOTE FROM THE DIRECTOR...

If you, like me, grew up in the golden age of Disney Movies, you may have also been obsessed with *The Little Mermaid*. I had Ariel's face on 90% of the things I owned. Any bath tub or swimming pool was the ocean, with me scream-singing Part of Your World and flipping my fins. Getting to bring the joy of this show and its music to my students has been nothing short of magical.

The dedication of the students in this show has been unlike any other we have done. Because we have so many kids in the show, there were long stretches of time where they didn't have rehearsal. They came back every time ready to work and it was clear they were putting in so much effort at home. I have been exceedingly impressed with the hard work of our sea creatures, many of them brand new to the stage. Their excitement has been contagious, and it radiates throughout the cast.

A show like this makes me see just how far we have come. From our very first production to now our 16th, I want to say thank you for your continued support of our program. Giving kids a place to express themselves, to walk in someone else's shoes to develop compassion and empathy, to try something new with the support and encouragement of their peers - that is what Drama Club is all about, and we couldn't do it without you.

Enjoy your time Under the Sea

SYNOPSIS

Journey “under the sea” with Ariel and her aquatic friends in Disney’s The Little Mermaid JR., adapted from Disney’s Broadway production and the motion picture. Based on one of Hans Christian Andersen’s most beloved stories, Disney’s The Little Mermaid JR. is an enchanting look at the sacrifices we all make for love and acceptance.

In a magical underwater kingdom, the beautiful young mermaid, Ariel, longs to leave her ocean home — and her fins — behind and live in the world above. But first, she’ll have to defy her father, King Triton, make a deal with the evil sea witch, Ursula, and convince the handsome Prince Eric that she’s the girl whose enchanting voice he’s been seeking.
